"All I need is a Snuggle
... and a place to call home."

Dear Animal Shelter:

Please accept this donation of _____ Snuggles (state number and sizes*)

which are donated to you as part of the Snuggles Project. The Snuggles Project is an exclusive project of Hugs for Homeless Animals, a 501c3 nonprofit charitable organization dedicated to homeless and displaced animals.

The Snuggles Project provides comfort to the animals, a homey environment to the animal shelters, and a real good feeling for me as I donate my handmade Snuggles to your shelter. Snuggles are security blankets for shelter animals that provide physical and psychological comfort to the animals. If you would like more information about the Snuggles Project, please visit the website listed below.
